

Controllers made simple for you !

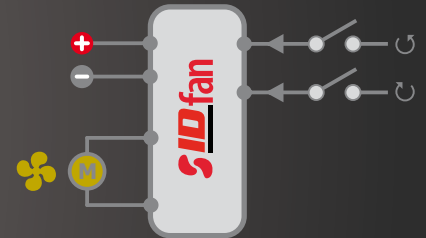

Fan controller

A safety bi-directional control

- ✓ PWM Technology
- ✓ Middle speed function
- ✓ Automatic delay at reversal

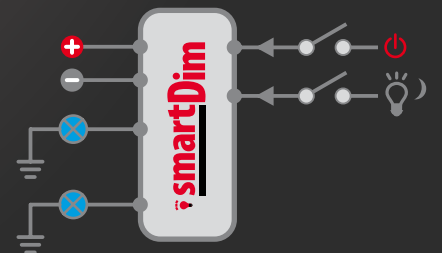

Product	Operating Voltage	Outputs	Inputs	Operating temperature	Weight	Dimensions L x l x h	EMC
ID-FAN	from 10 to 28VDC	6.5A	2 configurable	from -25 to +60°C	75 gr.	94 x 73 x 26	e6 03 03 28

Configurable Dimmer

for optimized control of internal lighting

- ✓ PWM Technology
- ✓ Halogen lights only
- ✓ EN1789 compliant

Product	Operating Voltage	Outputs	Inputs	Operating temperature	Weight	Dimensions L x l x h	EMC
SMARTDIM	from 10 to 28VDC	2 x 15A	2 configurable	from -25 to +60°C	75 gr.	94 x 73 x 26	e6 03 03 28

Due to technological advances, the manufacturer reserves the right to modify the characteristics of this product without notice.
